

# SAFETY DATA SHEET

This safety data sheet was created pursuant to the requirements of:  
HPR, Schedule 1

Revision date 15-Sep-2025

Revision Number 1

## 1. Identification

### Product identifier

**Product Name** Terazosin Hydrochloride Dihydrate

### Other means of identification

**Product Code(s)** MM0843.00-0250

### Recommended use of the chemical and restrictions on use

**Recommended use** Laboratory use

**Restrictions on use** No information available

### Details of the supplier of the safety data sheet

#### Initial supplier identifier

Toronto Research Chemicals  
101 Milani Blvd.,  
Vaughan, Ontario  
L4H 4M4

Emergency number: +1(416) 665-9696 between 0800-1700 (GMT-5)

Fax: +14166654439

Web: [www.lgcstandards.com](http://www.lgcstandards.com)

**E-mail** [sds-request@lgcgroup.com](mailto:sds-request@lgcgroup.com)

### Emergency telephone number

#### **Emergency Telephone**

For Hazardous Materials or Dangerous Goods Incident

Spill, Leak, Fire Exposure, or Accident

Call CHEMTREC:

USA & Canada 1-800-424-9300

Rest of the world +1 703-741-3877

## 2. Hazard identification

### Classification of the substance or mixture

Classification according to WHMIS.

|                                   |             |
|-----------------------------------|-------------|
| Acute toxicity - Oral             | Category 4  |
| Skin corrosion/irritation         | Category 2  |
| Serious eye damage/eye irritation | Category 2A |

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

|  |            |
|--|------------|
| Reproductive toxicity                                    | Category 2 |
| Specific target organ toxicity — single exposure         | Category 3 |
| Category 3 Target organ effects: Respiratory irritation. |            |

## Label elements

### Warning

### Hazard statements

Classification according to WHMIS.

Harmful if swallowed.

Causes skin irritation.

Causes serious eye irritation.

Suspected of damaging fertility or the unborn child.

May cause respiratory irritation.

### Precautionary Statements - Prevention

Obtain special instructions before use.

Do not handle until all safety precautions have been read and understood.

Wear protective gloves, protective clothing, eye protection and face protection.

Wash face, hands and any exposed skin thoroughly after handling.

Do not eat, drink or smoke when using this product.

Avoid breathing dust, fume, gas, mist, vapors and spray.

Use only outdoors or in a well-ventilated area.

### Precautionary Statements - Response

IF exposed or concerned: Get medical advice/attention.

#### Eyes

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice and attention.

#### Skin

IF ON SKIN: Wash with plenty of water and soap.

If skin irritation occurs: Get medical advice and attention.

Take off all contaminated clothing and wash it before reuse.

#### Inhalation

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

#### Ingestion

IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell.

Rinse mouth.

### Precautionary Statements - Storage

Store locked up.

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

Store in a well-ventilated place. Keep container tightly closed.

## Precautionary Statements - Disposal

Dispose of contents and container to an approved waste disposal plant.

## Other information

No information available.

## 3. Composition/information on ingredients

### Substance

Formula C19H30ClN5O6

| Chemical name                     | CAS No.    | Weight-%  | Hazardous Material Information Review Act registry number (HMIRA registry #) | Date HMIRA filed and date exemption granted (if applicable) |
|-----------------------------------|------------|-----------|--|---|
| Terazosin Hydrochloride Dihydrate | 70024-40-7 | 90 - 100% | -  |   |

## 4. First-aid measures

### Description of first aid measures

|                                    |   |
|------------------------------------|---|
| General advice                     | Show this safety data sheet to the doctor in attendance.  |
| Inhalation                         | Remove to fresh air. IF exposed or concerned: Get medical advice/attention. Get medical attention immediately if symptoms occur.  |
| Eye contact                        | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Keep eye wide open while rinsing. Do not rub affected area. Get medical attention if irritation develops and persists. |
| Skin contact                       | Wash off immediately with soap and plenty of water for at least 15 minutes. Get medical attention if irritation develops and persists.  |
| Ingestion                          | Do NOT induce vomiting. Rinse mouth. Never give anything by mouth to an unconscious person. Call a doctor.  |
| Self-protection of the first aider | Avoid contact with skin, eyes or clothing. Wear personal protective clothing (see section 8).   |

### Most important symptoms and effects, both acute and delayed

|                     |  |
|---------------------|--|
| Symptoms            | May cause redness and tearing of the eyes. Burning sensation.                                |
| Effects of Exposure | May cause adverse reproductive effects - such as birth defect, miscarriages, or infertility. |

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

## Indication of any immediate medical attention and special treatment needed

**Note to doctors** Treat symptomatically.

## 5. Fire-fighting measures

**Suitable Extinguishing Media** Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Large Fire** CAUTION: Use of water spray when fighting fire may be inefficient.

**Unsuitable extinguishing media** Do not scatter spilled material with high pressure water streams.

**Specific hazards arising from the chemical** No information available.

### **Explosion data**

**Sensitivity to mechanical impact** None.

**Sensitivity to static discharge** None.

**Special protective equipment and precautions for fire-fighters** Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

## 6. Accidental release measures

### Personal precautions, protective equipment and emergency procedures

**Personal precautions** Ensure adequate ventilation. Use personal protective equipment as required. Evacuate personnel to safe areas. Avoid contact with skin, eyes or clothing.

**Other information** Refer to protective measures listed in Sections 7 and 8.

### Methods and material for containment and cleaning up

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Pick up and transfer to properly labelled containers.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

## 7. Handling and storage

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

## Precautions for safe handling

### **Advice on safe handling**

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes or clothing. Do not eat, drink or smoke when using this product. Remove contaminated clothing and shoes. Take off contaminated clothing and wash it before reuse. Ensure adequate ventilation. Avoid breathing vapours or mists. In case of insufficient ventilation, wear suitable respiratory equipment.

### **General hygiene considerations**

Avoid contact with skin, eyes or clothing. Do not eat, drink or smoke when using this product. Wash hands before breaks and after work. Wear suitable gloves and eye/face protection. Wash hands before breaks and immediately after handling the product.

## Conditions for safe storage, including any incompatibilities

### **Storage Conditions**

Please refer to the manufacturer's certificate for specific storage and transport temperature conditions. Store only in the original receptacle unless other advice is given on the CoA. Keep containers tightly closed in a dry, cool and well-ventilated place. Keep out of the reach of children. Store locked up.

## **8. Exposure controls/personal protection**

### Control parameters

### Control parameters

### **Exposure Limits**

This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

## Appropriate engineering controls

### **Engineering controls**

Showers  
Eyewash stations  
Ventilation systems.

## Individual protection measures, such as personal protective equipment

### **Eye/face protection**

Avoid contact with eyes. Wear safety glasses with side shields (or goggles). If splashes are likely to occur, wear safety glasses with side-shields.

### **Hand protection**

Wear suitable gloves. Impervious gloves. The protective gloves to be used must comply with the specifications of EC Directive 89/686/EEC and the related standard EN374. Wear protective butyl rubber gloves. Wear protective Viton™ gloves.

### **Skin and body protection**

Wear suitable protective clothing. Long sleeved clothing.

### **Respiratory protection**

No protective equipment is needed under normal use conditions. If exposure limits are

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

exceeded or irritation is experienced, ventilation and evacuation may be required.

**Environmental exposure controls** Do not allow into any sewer, on the ground or into any body of water.

**General hygiene considerations** Avoid contact with skin, eyes or clothing. Do not eat, drink or smoke when using this product. Wash hands before breaks and after work. Wear suitable gloves and eye/face protection. Wash hands before breaks and immediately after handling the product.

## 9. Physical and chemical properties

### Information on basic physical and chemical properties

|                 |                          |
|-----------------|--------------------------|
| Appearance      | Solid                    |
| Physical state  | Solid                    |
| Colour          | white                    |
| Odour           | No information available |
| Odour threshold | No information available |

| <u>Property</u>                         | <u>Values</u>                  | <u>Remarks • Method</u> |
|---|--------------------------------|-------------------------|
| Melting point / freezing point          | > 241 °C                       | None known              |
| Initial boiling point and boiling range | No data available              | None known              |
| Flammability                            |                                | None known              |
| Flammability Limit in Air               |                                | None known              |
| Upper flammability or explosive limits  | No data available              |                         |
| Lower flammability or explosive limits  | No data available              |                         |
| Flash point                             | No data available              | None known              |
| Autoignition temperature                | No data available              | None known              |
| Decomposition temperature               | No data available              | None known              |
| SADT (°C)                               | No data available              | None known              |
| pH                                      | No data available              | None known              |
| pH (as aqueous solution)                | No data available              | None known              |
| Kinematic viscosity                     | No data available              | None known              |
| Dynamic viscosity                       | No data available              | None known              |
| Water solubility                        | No data available              | None known              |
| Solubility(ies)                         | slightly soluble DMSO Methanol |                         |
| Partition Coefficient (n-octanol/water) | No data available              | None known              |
| Vapour pressure                         | No data available              | None known              |
| Relative density                        | No data available              | None known              |
| Bulk density                            | No data available              |                         |
| Liquid Density                          | No data available              |                         |
| Relative vapour density                 | No data available              | None known              |
| Particle characteristics                |                                | None known              |
| Particle Size                           | No data available              |                         |
| Particle Size Distribution              | No data available              |                         |

## Information with regards to physical hazard classes

### 10. Stability and reactivity

**Reactivity** No information available.  
**Chemical stability** Stable under normal conditions.  
**Possibility of hazardous reactions** None under normal processing.  
**Conditions to avoid** None known based on information supplied.  
**Incompatible materials** Strong acids. Strong bases. Strong oxidising agents.  
**Hazardous decomposition products** None known based on information supplied.

### 11. Toxicological information

#### Information on likely routes of exposure

##### Product Information

**Inhalation** Specific test data for the substance or mixture is not available.

**Eye contact** Specific test data for the substance or mixture is not available. Causes serious eye irritation. (based on components). May cause redness, itching, and pain.

**Skin contact** Specific test data for the substance or mixture is not available. Causes skin irritation. (based on components).

**Ingestion** Specific test data for the substance or mixture is not available. Ingestion may cause gastrointestinal irritation, nausea, vomiting and diarrhoea. Harmful if swallowed. (based on components).

#### Symptoms related to the physical, chemical and toxicological characteristics

**Symptoms** Redness. May cause redness and tearing of the eyes.

**Acute toxicity** Harmful if swallowed.

**Numerical measures of toxicity**  
No information available

##### Component Information

| Chemical name                                   | Oral LD50            | Dermal LD50 | Inhalation LC50 |
|---|----------------------|-------------|-----------------|
| Terazosin Hydrochloride Dihydrate<br>70024-40-7 | = 5500 mg/kg ( Rat ) | -           | -               |

#### Delayed and immediate effects as well as chronic effects from short and long-term exposure

# SAFETY DATA SHEET

MM0843.00-0250 - Terazosin Hydrochloride Dihydrate

Revision date 15-Sep-2025

|  |  |
|--|--|
| <b>Skin corrosion/irritation</b>         | Classification based on data available for ingredients. Causes skin irritation.  |
| <b>Serious eye damage/eye irritation</b> | Classification based on data available for ingredients. Causes serious eye irritation.   |
| <b>Respiratory or skin sensitisation</b> | No information available.  |
| <b>Germ cell mutagenicity</b>            | No information available.  |
| <b>Carcinogenicity</b>                   | No information available.  |
| <b>Reproductive toxicity</b>             | Contains a known or suspected reproductive toxin. Classification based on data available for ingredients. Suspected of damaging fertility or the unborn child. |
| <b>STOT - single exposure</b>            | May cause respiratory irritation.  |
| <b>STOT - repeated exposure</b>          | No information available.  |
| <b>Aspiration hazard</b>                 | No information available.  |

## 12. Ecological information

|                                      |   |
|--------------------------------------|---|
| <b>Ecotoxicity</b>                   | The environmental impact of this product has not been fully investigated. |
